We would like to extend our sincere wishes to you and yours for a happy, relaxing and enjoyable holiday season. The educational system is always demanding of our time and energies. Now is the opportunity to reflect and rejuvenate before the onset of the new year.

We, particularly, want to thank our colleagues and friends in the Qikiqtani School System for your support and team spirit in the service of others. We look forward to further collaboration with you in 2013 as we continue with positive growth in Nunavut.

Best Wishes, Tracey / Faculty / Staff Nakasuk School, Iqaluit
